## EXCHANGE OF NOTES

I

**Commissioner of Inland Revenue**

**Singapore, 8 May 1990**

Your Excellency,

I have the honour to refer that during the negotiations on an Agreement for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income between the Republic of Singapore and the Republic of Indonesia, an understanding was reached on how certain provisions and aspects of the Agreement are to be dealt with. The understanding covers:

- (a) **Article I -- Personal Scope**  
Permanent establishments or fixed bases of residents of Singapore or Indonesia in third countries are not covered by this Agreement except the permanent establishments in those countries whose tax is not substantially lower than that in Singapore or Indonesia, and mutually agreed by the competent authorities of both Contracting States;
- (b) **Article 4 - Fiscal Domicile**  
With regard to paragraph 3 of Article 4, where the competent authorities of the Contracting States could not reach an agreement, the taxable income of the relevant person shall be determined and agreed to by the competent authorities and one- half of such taxable income shall be subject to tax in each of the Contracting States;
- (c) If requested, Singapore will publicise the Indonesian position that business profits are subject to the Indonesian concept of "force of attraction of permanent establishment" principle with regard to permanent establishments of residents of Singapore carrying on business in Indonesia.

If the above understanding is acceptable to the Government of the Republic of Indonesia, I have further the honour to suggest that this letter and your reply to that effect will place on record the understanding of our two Governments in this matter.

I avail myself of this opportunity to renew to Your Excellency the assurances of my highest consideration.

Sincerely,

Hsu Tse-Kwang,
